Forecast For Wales
Issued by Met Office Exeter
at 1600 on Wednesday 24 Nov 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Some rain overnight, then sunnier and colder on Thursday.

This Evening and Tonight:
Showery rain edging southwards this evening, possibly quite heavy in the west for a time. Clearer skies following from the north overnight, but showers forming over Anglesey, Gwynedd and Pembrokeshire. Turning cold inland with a frost forming in places. Minimum temperature -1 deg C (30 deg F).

Thursday:
Largely dry with sunny periods, especially during the morning, but occasional showers near some western coasts. Feeling much colder, especially on coasts exposed to the brisk northerly wind. Maximum temperature 10 deg C (50 deg F).

Outlook for Friday to Sunday:
Becoming wet and windy on Friday. Very windy on Saturday with gales and showers, wintry over hills. Drier and sunnier on Sunday with much lighter winds but clouding over later.
